MGA 2026 THURSDAY LEAGUE

Starts April 2nd thru October 29th

- **Teams:**

- Made up of 4 players. (All players must be MGA Members **\$20** annual fee)
 - (You can play anytime Thursday that works for your team – tee times required)
- \$20.00 league entry fee per player and weekly fee of \$5 per player to the pot.
- Any new player added to a team during the playing season will pay the \$20 entry fee.

- **Format**

- 9 Holes of stroke play, rotating tees each week.
- If you want to play 18 holes, great just play the “league” 9 first.

- **HDCP's:**

- For returning players, you will begin with your Thursday League HDCP from last year.
- New players GHIN Handicaps will be used for the 1st week and League HDCP will then be established.
- There will be a “no higher than” HDCP limit of 18 for 9 holes.
- 60 & over = Senior Tees
- 75 & over = Super Senior Tees
 - Note that your Thursday night HDCP will not match your GHIN. It's simply an average of your league scores. If your average league score is 40, then your “League HDCP” is a (4).

- **Subs**

- If you would like to be an “on-call” Sub, please provide the Pro Shop your name and cell #. It is the responsibility of the team to contact the sub.
- If you have less than 4 players and can't find a sub for that day, you will be allowed to “draw” a player from those playing that day on another team.

Each player participating on that Thursday will be assigned a number and you will draw as many as you need to fill out your 4-some and use their net scores to fill out your team total. *Note that you will be responsible to pay the \$5 weekly fee per player and while we would suggest that share any winnings with them, this is your call.

- **Scoring Details**

- All four net scores will be used.
- Maximum score allowed per hole = Gross Double Bogey
- Gross score for each player will be entered on the scorecard as usual.
- On the bottom half of the scorecard the lowest net score of the team is entered in the Net1 line.
- Second lowest net score is entered in Net 2 line, etc, etc.
- Payouts will be:
 - Net 1 lowest score 40% of pot.
 - Net 2 lowest score 30% of pot.
 - Net 3 lowest score 20% of pot.
 - Net 4 lowest score 10% of pot.

| | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9 | IN |
|----------|-----|----|----|----|----|-----|-----|----|----|----|
| Palmer | 5* | 5* | 4 | 3* | 5 | 4* | 6* | 3 | 6* | 44 |

| Net 4 | 4 | 6 | 4 | 4 | 5 | 5 | 5 | 4 | 6 | 43 |

- In order to play for a chance at all four prizes you must have four players.
- If you only have three players competing on any given day you will be playing for the first three places, etc, etc.
- If there is a tie on any of the final net scores the monies will be split for that net score.
- There could possibly be ties on all 4 net scores.
- All other net scores not in ties will pay as shown above.
- Want to play, but don't have enough for a team?
 - Let the Pro-Shop know - we'll try and hook you up with other teams looking for players.

TWO RIVERS SIGNATURE STONE-BAKED PIZZA

All of our pizzas are baked in our stone-lined Marsal deck ovens, in true New York fashion. We craft our dough in-house daily using only unbleached and unbromated high-protein American flour. After mixing, the dough undergoes a long, cold fermentation to develop a complex flavor, airy texture, and crisp yet chewy bite—just like the best pizzerias in New York. We top our pies with the finest ingredients: vine-ripened Stanislaus tomatoes for a bright and balanced sauce, and rich, creamy Grande mozzarella, the gold standard in cheese for its superior melt and flavor. These are the same ingredients used by the top pizzerias in the country—and we think you'll taste the difference.

Our Pizzas are available in Small 8", Medium 12", and Large 16". We have a 10" Gluten-Free Crust available at Medium pricing.

Pool UPDATE

We wanted to provide everyone with an update on the progress of the pool.

Earlier this week, we were scheduled to meet with a State-approved engineer. He connected us with a colleague he regularly works with on commercial pool and splash-pad projects. The company handles installation, excavation, backfill, plumbing, wiring, pumps, and all related work with their own crew.

Key points from our discussion:

- Any engineer we use will charge approximately \$10,000 to produce State-approved plans.
- If we choose to move forward with the company, that engineering cost would be included in his total project price.
- We asked them to provide an approximate bid that we can share with the Board ahead of our next meeting, and then with the bank.
- This approach will allow us to move more quickly, since waiting on full engineering plans would take longer.
- Once we have the bid and financial details, we will bring the information to the membership for a vote.

We will share more information as soon as it becomes available, but we wanted to keep everyone informed as the process moves forward.
